# WAVE City

## ABOUT WAVE CITY

Wave City is a first-of-its-kind project that truly personifies the concept of creating a city that thinks for you.

Spread across a vast area, on 14-lane expressway NH 24 and only 30 minutes from Delhi, Wave City is one of India's largest self-sufficient hi-tech cities based on the "Hi-Tech City Concept". The project is India's largest Pre-certified Platinum-Rated Green Township. Well-known schools, colleges and hospitals are in the vicinity of a 2km. radius of Wave City.

Over 1200+ families are already residing in Wave City. Registered Plot owners have commenced construction & many have already moved in. For the residents living here, Wave City offers facilities like Safal Store, Freshly Yours'-a convenient store, medical store and 24\*7 security. Being a hi-tech city, Wave City is also equipped with smart features like GPS-enabled intra-city transport facility, central command centre, city-level surveillance, street light automation, connected community through web & mobile app, etc. Wave City has created a world-class infrastructure for its buyers / residents.

The city offers a blend of innovative commercial & residential properties, duly registered under RERA, which includes apartments (Dream Homes & Wave Executive Floors), independent floors (Wave Floors) & a commercial centre (Wave Galleria). Wave City offers a low density living. It is full of vigour and vitality, which makes it the perfect place to enjoy a comfortable, convenient and uncluttered lifestyle.
